Town Warrant

State of New Hampshire

Carroll SS.

To the inhabitants of the Town of Sandwich, in said County and State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town, on Tuesday the tenth (10th) day of March, next, at ten o'clock in the forenoon, to act upon the following articles:

1. To see if the Town will determine by vote the salary to be paid any of its officers and agents.

2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

3. To see if the Town will vote to authorize the Selectmen to act as its agents in all matters relating to town property for the purpose of granting easements, making sale and conveyance of any property or properties which may be acquired by the Town by tax deed.

4. To vote to raise and appropriate \$133.92 to pay interest on the School Fund Note.

5. To raise and appropriate \$1000.00 to pay the fourth annual installment on its note to the Sandwich Town and Grange Fair Association.

6. To raise and appropriate \$1,700.00 to pay its note for that amount given Sandwich Town and Grange Fair Association for loan used in paying for construction of the Chase Bridge.

7. To see if the Town will vote to raise and appropriate money for the support of the Library in addition to the amount required by law. The sum recommended to be raised as a whole is \$543.50.

8. To see if the Town will vote to raise and appropriate money for the observance of Memorial Day. The sum recommended is \$130.00.

9. To see if the Town will vote to raise and appropriate money for the observance of Old Home Week. The sum recommended is \$150.00.

10. To see if the Town will vote to raise and appropriate the sum of \$122.00 for the Lakes Region Association of New Hampshire for the issuance and distribution of printed

matter, calling attention to the resources and natural advantages of the Town, in cooperation with other towns in the Lakes Region.

11. To see if the Town will raise and appropriate money for the maintenance of the Notch and Dale Roads. The sum recommended is \$500.00.

12. To see if the Town will vote to accept State Aid for the construction of the Squam Lake Road and raise and appropriate, or authorize the Selectmen to arrange with others in part, for the sum of \$1,830.00 for that purpose, the State contributing \$3,660.00.

13. To see if the Town will vote to accept Town Road Aid and raise and appropriate for that purpose the sum of \$847.26, the State contributing \$3,389.02.

14. To see if the Town will vote to raise and appropriate a sum of money for the support of the Fire Department and for fighting forest fires. The sum recommended is \$500.00 for the Fire Department and \$500.00 for all other purposes relating to fires.

15. To see if the Town will vote to raise and appropriate money for the support of the Laconia Hospital and Huggins Hospital. The sums recommended are \$150.00 and \$50.00, respectively.

16. To see if the Town will vote to raise and appropriate money for the care of Cemeteries. The sum suggested is \$300.00.

17. To see if the Town will vote to approve the acquisition by the United States Government of approximately 100 acres of forest land situated in the Town, forming a proposed additional purchase unit of the White Mountain National Forest and described as follows: All that part of Lots 1 in the 11th and 12th long ranges of lots on the northerly side of the Chase Road, known as the Walden Ledge Pasture, and is bounded easterly by the line between the towns of Sandwich and Tamworth, southerly by said Chase Road, westerly by the Sturtevant land supposed to be now of Joseph I. Melanson and northerly by land supposed to be of Wonalancet Associates, Inc.

18. To see if the Town will vote to raise a sum of money for the maintenance of Highways and Bridges and for winter care for the year ensuing and pass any vote relating thereto. The sum recommended is \$9,000.00.

19. To see if the Town will vote to raise and appropriate

TOWN OF SANDWICH

such sum of money as shall be necessary to pay Town Charges for the ensuing year. The sum recommended is \$3,025.00.

20. To see if the Town will vote to raise and appropriate such sums of money as shall be necessary to pay the expense of General Government for the ensuing year. The sum recommended is \$2,538.00.

21. To see if the Town will vote to raise and appropriate a sum of money to provide for additional police protection, for watchmen and facilities for their use, due to the war emergency. The sum suggested is \$200.00.

22. To hear the reports of Town Officers or Committees and take any appropriate action thereon.

23. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expense of such audit.

24. To choose by ballot all necessary town officers for the year ensuing.

Given under our hands and the seal of the Town of Sandwich this twenty-third day of February, A.D. 1942.

Cemetery Payments

This year for the first time in the Town's history, money was appropriated for "the care of cemeteries." Three hundred dollars was placed at the disposal of the Cemetery Trustees.

After consideration the Trustees decided that the two cemeteries at the Center and the one at North Sandwich were in sufficiently good condition to warrant leaving their present needs and responsibilities in the hands of their Associations. They further decided that most of this year's appropriation should be used in several locations in greatest need, and best organized to proceed most rapidly. These appeared to be the East Sandwich, Little's Pond and Whiteface districts. The East Sandwich Association had for several years been making considerable progress and was voted an amount about equivalent to its last year's expenditures. The Little's Pond Association was revitalized and while they were unable to accomplish as much as might have been desired, a commendable beginning was made. At Whiteface a Cemetery Association was organized in the Fall and expects to proceed to work on the Weed's Mills and Intervale Cemeteries this Spring.

The Trustees are hopeful that all these projects may be forwarded this year and that beginnings may be made on outlying cemeteries.

SANDWICH CHAPTER OF THE AMERICAN RED CROSS

The Sandwich Chapter of the Amercian Red Cross has been active during the past year in the production of garments to be used for the relief of war victims. Sewing meetings have been held throughout the year in Center and North Sandwich as well as in Moultonboro and Center Harbor. Knitted garments have been made at home by a large number of workers in these towns.

Materials and yarn for this work have been supplied to the Chapter by the National Red Cross from funds donated for the purpose by the U. S. Government, the total being 3563 yards of material and 178 pounds of yarn. In addition, material has been purchased by the Chapter from which articles have been made for local use as well as for war relief, and the Chapter has paid for all other sewing materials, accessories for the baby outfits and for shipping finished work to the Red Cross Export Depot.

The total amount of relief work which has been completed to date or is being finished at the present time is as follows:

- 155 women's and children's dresses
- 115 complete outfits for babies
- 60 children's night gowns
- 50 boy's shirts
- 85 hospital bedshirts
- 34 operating gowns for doctors
- 35 men's sweaters
- 40 women's sweaters
- 125 children's sweaters
- 40 children's knitted suits
- 75 pairs men's socks
- 20 pairs children's stockings
- 40 pairs mittens
- 28 mufflers
- 8 crocheted shawls

Thanks are due to many faithful workers and particularly to members of the Production Committee: Mrs. Leon Read and Mrs. Walter Avery, also to Mrs. Robert Lamprey and Mrs. Maurice Chase, Chairmen of the Branches.

ANNE L. COOLIDGE,
Production Chairman.

REPORT OF SUPERINTENDENT OF SCHOOLS

SCHOOLS IN WAR TIME

In many ways, the fact of a nation at war affects our public schools. Two of the most important ways are dealt with in this report: (1) Civilian defense preparations; (2) Effect on regular school work.

CIVILIAN DEFENSE

Our location some distance from large cities and factories, makes air raids seem unlikely. The results of surprise attacks in other parts of the world, however, makes preparedness by all civilians the only sensible course in this war. The practice of air raid drills is being held in all schools, that it may become a matter of regular routine. Each school is provided with the equipment suggested by State authorities for fighting incendiary bombs. Special attention is given to first aid equipment and instruction. The State Police are cooperating in a plan of finger printing all children in the State to aid in identifying any who might be separated from their parents.

EFFECT ON REGULAR SCHOOL WORK

Greater interest is shown in geography and current events. Our pupils are becoming "map conscious" as they listen to radio news and read their weekly newspapers. Some pupils are knitting for the Junior Red Cross, working on squares which will be made into afghans. More attention than ever is given to a study of our American neighbors, including Canada, as well as Central and South America.

The need of investing a part of our savings in Defense Stamps is emphasized. Much stress is put upon the need of conservation of all materials—rubber erasers for pencils will be very hard to get; all supplies are much higher in price, therefore must be used to best advantage and nothing wasted.

VISUAL EDUCATION

Several times during the year our pupils have had the privilege of using one of the most useful and modern of educational devices, the sound motion picture projector. Films on various topics connected with geography, nature study, music, history, etc., have been shown in each of the schools. With proper discussion of the film lesson beforehand, and correlation with regular studies afterward, these film lessons can be made very valuable.

TOWN OF SANDWICH

INCREASED TRANSPORTATION COSTS

At Chick's Corner, the increased enrollment in September proved too large for so small a schoolroom, so the 7th and 8th grades were transferred to the Center School. This necessitated a new transportation route. Another temporary route has been established at Whiteface, to take care of one family employed at a mill a little over two miles from school.

WHAT OUR SCHOOLS ARE DOING

The Lower Corner School has purchased a radio from their school money and this has enabled them to listen to the music appreciation hour conducted by Walter Damrosch. The American School of the Air programs have also been enjoyed.

The journey method in geography lessons has made the study of the British Isles more interesting and fascinating to the fifth and sixth grades. Their English periods were correlated by means of a letter writing project which gave the children a record of their entire journey. Letters were written to a steamship company securing their reservations, some were written on board ship and others were sent from the British Isles to their friends at home telling about their experiences.

Choral Speaking has been started with both the lower and upper grades and the result is successful. Later in the year a two-part verse choir will be organized. The science classes are working on projects to exhibit in a Science Fair to be held in the Spring. The girls in all the grades have learned to knit and are making afghan squares and caps for the Red Cross. The art work for the boys has been devoted to woodworking and they made their Christmas presents which were cookbooks and candle holders.

It has been the chief aim of Chick's Corner School to work for the development of democracy. While it is hoped that the required and very important subjects such as the three R's as well as health, safety education, music, nature, art, history, geography, science, physical education, etc., have not been neglected, it is also hoped that these have been so correlated in a democratic way that the boys and girls, while trying to learn these things, have also learned to submerge their own desires for the good of the whole school and community. The pupils of Chick's Corner School have also put great stress upon the importance of the Salute to the United States Flag; they have learned that our country and flag need boys and girls who can be depended upon; that they will be the citizens of tomorrow.

The study of the Star Spangled Banner has been taken up as sort of a unit; the story of its origin and the meaning of its words. Book Week, Education Week, Armistice Day and Thanksgiving have each been observed in a way that it was hoped would broaden the views of the pupils in the relation of our nation to other nations; that a feeling of gratitude might be gained for the American way of living which would tend to bring them together as a school, learning how to live together in harmony, at least in their own little corner of this rapidly changing world.

The Center Primary School began the school year by having a flower show. Arrangement of flowers had been studied in the Nature class. Every child entered at least one exhibit. Of the 31 prizes awarded, 22 were received by this school. Pupils from the Grammar school also participated in this event.

Probably the most enjoyment has been derived from the rhythm band, made possible by the purchase of instruments with money earned at the fair. Every child plays some instrument.

Just recently a Defense Club has been organized, with officers and teams for purchasing Defense Stamps. Already one team has bought 53 stamps and the other 39. Newspapers are also being collected by the different grades.

To comply with the Civilian Defense program, the Grammar School has changed rooms with the Primary School. The upper grades now occupy the upstairs room and the primary group are downstairs.

For the Grammar School, one of this year's most interesting projects has been the feeding of the birds. Feeding stations have been put up in back of the school and kept supplied with food. Many birds have visited them and some are regular callers. The greatest thrill came when a pileated woodpecker paid the school a call. Some birds eat from the children's hands. A letter written to the Boston Globe about our birds was published and brought in reply a letter from an interested reader.

On the day before the holiday everyone partook of a Thanksgiving dinner. The food was brought by the children and teacher. Our table was attractive and everything tasted so good! The children of both the Primary and Grammar rooms wish to make it a yearly occurrence.

Two features of the North Sandwich School program have been especially interesting, Music and Art. Two-part music began last year, has been continued, and has arrived at the stage where note-reading in two-parts without any piano accompaniment is successfully tried. With the help of Mr. Musgrove, an addition to our music has been

made possible, a sort of rhythm band which will include everyone in school. This will develop from the small "orchestra", formed for amusement at recess and after school, which now consists of two drums, a guitar, a ukelele and a piano. In art work a project is under way in which the girls are decorating a house with attention to color harmony. This is done in manual training class, where the furniture is made out of wood. Last year in manual training the girls knit mittens and one made a sweater. The boys are making wall plaques, with pictures hand-drawn and hand-painted. At Christmas the boys made ash trays of ceramic tiles for their fathers, while the girls made necklaces of plastic links for their mothers.

At Whiteface School much time in music has been devoted to two-part singing. The work has been a great success and the children enjoy it very much. Last spring work was done on two flower gardens, one with wild flowers and one with cultivated flowers. The children showed much interest in these gardens and about every child brought flowers from home to have planted at the school. A large part of the art work has been devoted to free-hand drawings. The boys are especially interested in drawing pictures of airplanes and also modeling them. Some excellent pen and ink drawings have been done. Many posters have been made and distributed about the room. Some were safety posters, some health posters and others to represent different seasons of the year. A bird-feeding project has been carried on in connection with nature study.

CONCLUSION

It has been said that *teaching* may be done to groups of people, but that *learning* is always done by single individuals. Your teachers and superintendent are keenly conscious of the fact that we are trying to help with the education of individual girls and boys, whom sometimes we do not fully understand, and whose problems are not always understood by their fathers and mothers. We appreciate the friendly and sympathetic spirit which is so generally shown when parents discuss these problems with us. Let us continue to work together in these difficult times for the good of the children.

Respectfully submitted,

ALMON W. BUSHNELL,
Superintendent.

REPORT OF SCHOOL NURSE

This report covers only work done since Sept. 2, 1941.

Pupils inspected	167
Visits to schools	51
Home visits	14

All of the children at Quimby, Village and rural schools have been weighed and measured.

Vision tests have been completed. Physical examinations are being planned to take place during the month of March followed by a Dental Clinic in Meredith by Drs. Pottle and Deneault. It is hoped that as many pupils as possible will take advantage of this.

I wish to express my appreciation for the cooperation which I have received from the superintendent, school board, teachers and parents of the community.

Respectfully submitted,

EVA. A. HENEY, R.N.
